Discuss May Appraisal Day Event

The chair noted that at the regular March meeting, the Commission had expressed its wish to run the May Antiques Appraisal event in its entirety. He noted that this decision had upset the friends and that the meeting was called to make sure he understood the intent of the Commission and to record that intention as a formal vote.

The brief discussion led to expression by each member of a strong preference to run the event as a Commission activity. This was embodied in a Motion to "Have the Commission take full responsibility for running the May Appraisal event and not include the Friends in the operation." This was made, seconded, and approved unanimously in a roll call vote.

ADJOURN

The chair then asked for a motion to adjourn, which was duly seconded and voted unanimously. The meeting adjourned at 6:05
