Malden, MA 02148

Join us in person or [Join Via Teams](#)

1. Introduction and Meeting Goals- Ari Taylor

Councillor Taylor will provide an overview of the meeting goals and topics to be covered.

2. Overview of Project Status- Alexander Pratt

Mr. Pratt will speak to the status of the overall project and the refocus on the area currently fenced in within the overall park, including anticipated costs. Mr. Pratt will speak about community involvement and information sharing going forward relative to the proposed remediation plan.

3. Review of Proposed Soil Remediation Plan- Jim Parker

Mr. Parker will discuss the proposed soil remediation plan, regulatory filings, and community involvement in the same.

4. Discussion of Funding Sources Previously Approved and Portability- Dan Grover

Mr. Grover will review previously secured funding sources, bonding, the status of the same in light of the project cancellation, and the potential funding available for proposed remediation work.

5. Overview of Community Preservation Opportunities- Rachel Running

Mrs. Running will review the status of CPC Funds, the potential for reuse, and the potential for CPC involvement in future project proposals.

6. Questions and Answers

Councillor Taylor will take questions for the panel and discuss next steps and ongoing updates.

This meeting will be recorded and a meeting summary provided after the meeting. Online attendees will have the option to view live captions in their native language.

Meeting attendees may park at the Jackson Street Garage and we will validate parking.
