1. ~~A.~~ The license was secured by fraud or that it contains misrepresentations or concealment of material facts or omits material facts that would have affected the granting of the license to the applicant.
2. ~~B.~~ The wrecker has violated any of the subsections of this chapter or any of the regulations promulgated by the Borough Council as authorized by this chapter.
3. ~~C.~~ The wrecker's equipment and/or storage facilities are inadequate or unsafe and the wrecker has refused to correct the reported deficiencies subject to the satisfaction of the Chief of Police.
4. ~~D.~~ Confirmed reports of discourteous behavior, the charging of excessive fees, damage to motor vehicles and/or theft of personal property.
5. ~~E.~~ The wrecker's and/or its operators' failure to satisfactorily pass the criminal history check as required by § 387-5D of this chapter.

-  
B. **Appeal process; Notice and Hearing**

1. **Once the Chief of Police has either made a recommendation to disapprove a license application resulting in the Borough Council disapproving and rejecting the application or made a determination that an existing license will be temporarily suspended or revoked, the operator may appeal that decision and request a hearing by the Borough Council or their designee in accordance with the following procedure:**
2. **Within 10 calendar days of the date of the Borough Council's decision to suspend an operator or the Borough Council's disapproval of the application based on the Chief's recommendation, the operator will receive via certified mail a written notice from the Chief of Police setting forth his recommendation and/or determination and the reasons therefor. During the pendency of the**

appeal process, the operator shall not be eligible to receive Borough-initiated calls for services.

-

3. The operator shall be given the opportunity for a mutually agreed upon hearing within 45 days of receipt of that written notice, with 14 days' advance written notice of the hearing date.

-

4. The Borough Council or their designee shall consider the matter at a hearing open to the public, at the discretion of the operator, and may request that the operator appear and give testimony and/or provide documents, photographs or other relevant evidentiary material to refute the basis for the charge that the license should be denied, suspended or revoked, as the case may be. The operator shall be afforded the right to be heard, be represented by legal counsel, and offer evidence including presenting witness(es), documents, photographs and other relevant evidence regarding the charge that the license should be denied, suspended or revoked. After considering the matter and the evidence presented, the Borough Council or their designee within seven business days after conclusion of the hearing shall make certain findings and conclusions relative to the charge which shall constitute the decision.

-

5. If the Borough Council or their designee finds in support of the charge and against the operator by a preponderance of the credible evidence, the Borough Council or their designee may consider and impose the following penalties: denial of the license to the applicant or operator; suspension of the tow company or operator from the wrecker roster for a fixed period or duration; revocation of such license for a fixed period or duration; termination of the license; prohibiting employees violating any part of this chapter from performing any work related to towing requested by the Borough or any other such penalty as the Borough Council or their designee deems just and equitable under the circumstances. If the Borough Council or their designee does not find in support of the charge and determines that the operator's appeal should be successful, the Borough Council may issue the license and place the operator on the wrecker roster or rescind the suspension and restore the operator to the active roster.

-

6. In considering the imposition of penalties, the Borough Council or their designee shall take into account factors including, but not limited to, any prior violations, the nature and seriousness of the complaint and the danger to the health, safety and welfare of the public.

#### **SECTION IV.**

Section 387-20 (“Complaint and Dispute Resolution”) is hereby amended as follows (struck through portions are to be removed; bolded and underlined portions are to be added):

- Any person having a dispute or complaint arising from a specific act of towing or storage of motor vehicles **by a wrecker** which is regulated by this chapter shall present that complaint or dispute to the Chief of Police for resolution. The Chief of Police shall render his decision as to how said complaint or dispute is to be resolved within 10 days of conducting a hearing as to the same. Such hearing can be in person, by telephone or on written presentation at the election of the Chief of Police. The Chief of Police shall render a decision within five days of said hearing. In the event that the wrecker does not abide by the decision of the Chief of Police, the Chief of Police will recommend to the Borough Council that the wrecker's license be revoked or suspended.

- **SECTION V.**

- Section 387-21 (“Violations and Penalties”) is hereby repealed and replaced as follows (all text novel):

- A. Any operator unable to respond or meet the response time requirement to four or more Police Department dispatch requests per month will be subject to removal from the approved list with the approval of the Borough Council or their designee pursuant to Section 387-19 of this Chapter.

B. Municipal penalties.

1. Operators shall be subject to the following penalties in certain circumstances. Violators of this section, at the discretion of the Chief of Police, will be issued a summons which will be heard in the Borough’s Municipal Court.

1. Failure to arrive on scene with the required equipment as directed by Borough Police in the dispatch will result in a fine of \$250.

2. Responding to scene with an unauthorized driver will result in a fine of \$250.

2. For a violation of § 216-10A, regarding wrecker response times, operators shall be subject to the following penalties:

1. The first and second violation in any given calendar year will result in a warning letter sent via certified mail from the Chief of Police, with a copy to the Mayor and Borough Administrator, to the business owner at their registered place of business.

2. The third violation in any calendar year will result in a seven-day suspension from

the police tow list and a fine of \$225.

100. The fourth violation in any calendar year will result in a fourteen-day suspension from the police tow list and a fine of \$250.

500. The fifth violation in any calendar year will result in a suspension from the police tow list for 30 days and a fine of \$275.

5. The sixth violation in any calendar year will result in a suspension from the police tow list for the remainder of the calendar year. The operator will be ineligible to apply for a wrecker license the following calendar year. If the applicant chooses to reapply in the future with the same corporate structure and business address, a surcharge of \$300, payable to the Borough, to be filed with the application, is required.

3. For a violation of any of the provisions of this chapter not addressed above, such as discourteous or unruly operator behavior, owners/operators shall be subject to the following penalties:

1. The first violation in any given calendar year will result in a warning letter.

2. The second violation in any calendar year will result in a fifteen-day suspension from the police tow list and a fine of \$225.

100. The third violation in any calendar year will result in a thirty-day suspension from the police tow list and a fine of \$250.

500. The fourth violation in any calendar year will result in a suspension from the police tow list for the remainder of the calendar year. The operator will be ineligible to apply for a wrecker license for the following calendar year and be subject to a \$300 surcharge if applying in the future.

C. The decision to issue summons(es) which would be heard in the Borough's Municipal Court for alleged violations of this chapter shall not in any way impugn the Chief of Police's discretion, with approval of the Borough Council, to suspend an operator's license as outlined in Section 387-19 of this Chapter and shall constitute a separate and distinct proceeding.

## SECTION VI.

If any part of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of the ordinance.

**SECTION VII.**

Should any section, paragraph, sentence, or clause of this ordinance be declared unconstitutional or invalid for any reasons, the remaining portions of this ordinance shall not be affected thereby and shall remain in full force and effect and, to this end, the provisions of this ordinance are hereby declared severable.

**SECTION VIII.**

This ordinance shall take effect in the time and manner provided by law.
