

Wynnedale Town Council Meeting

Meeting Minutes

April 13, 2021, Virtual Meeting Via Zoom

Present: Mary Beth Schneider, Jarnell Craig, Ann Hildner, Sue Rice

Next meeting: May 11, 2021, 7:00 pm

1. **Call Meeting to Order at 7:00 pm by Mary Beth Schneider.**
2. **Previous Council Meeting Minutes approved.**
3. **Treasurers Report** by Jarnell Craig.
4. **Budget Discussion:** No issues at this time.
5. **Discussion Issues and Topics:**
 - a. **Road Sealcoating:** Reese (contractor) is willing to do an evaluation of Wynnedale's needs for sealcoating at no cost. Sue will see if they can attend next Town Council Meeting to discuss. It was noted that in some areas the edges of pavement are cracking and would need to be evaluated. Council agreed the worst areas should be prioritized.
 - b. **Little Libraries:** It was reported that the Wynnedale neighbors that have been made aware of this initiative, are excited by the idea. It has also been reported that there are neighbors willing to build and construct the "little library" structures. The council is requiring approval of the design and plans for these structures prior to construction. The Bird Sanctuary is the approved location for the "little library" structure. It was suggested that there might be a lower level cabinet for children's access to books. The issue of age appropriate books was raised, but it was noted that we, as the Town Council, don't want to be responsible for policing the book selections and expect inappropriate book donations would not be a problem.
 - c. **Potential neighborhood events related to the Wynnedale Little Library:** Reading circles at the Bird Sanctuary. Janet Walker is a neighbor who could potentially be involved in this event.
 - d. **Snow Plowing:** As of April 1, Josh Darring will be relieved of his snow plowing contract. He will continue his mowing contract.
 - e. **Weed and Feed:** John Kincaid is expected to weed and feed the esplanade after wildflowers finish blooming.
 - f. **Next Meeting:** Next meeting will be held at the Bird Sanctuary weather permitting. Move to the Fitness Farm or Zoom if raining or unseasonable cool.
6. **Meeting Adjourned**
