- I. Review of a request by the Idaho Department of Fish (IDFG) for \$238,000 to conduct aerial herbicide treatment of 2,644 acres of cheatgrass over the next two years. The Applicant proposes to leverage migration data collected in the previous Pronghorn study, along with mapping tools produced by the USGS and other partners, to identify treatment sites based on the chances of success, the benefit to wildlife, and the likelihood of long-term protection.
- II. Discussion
- III. Adjourn

Any Person needing special accommodations to participate in the above noticed meeting should contact the Blaine County Land Use Services Department, 208-788-5570, pzcounter@blainecountyid.gov 2 days prior to the meeting.

The Board is an appointed, recommending body of the Blaine County Board of County Commissioners and can be reached through the Blaine County Land Use & Building Services at 208-788-5570, pzcounter@blainecountyid.gov and the web: <https://www.blainecountyid.gov/219/Land-Water-Wildlife-Program>

Remote meeting access is provided as a courtesy, this remote access is not intended to serve as a substitute or alternative to in-person meeting presence. In the event there are technical difficulties that prevent remote access, the County may attempt to remedy such issue but is under no obligation to do so. Any person who is prevented from making remote comment by technical difficulties bears the risk that their comments will not be considered by the governing body.

Note: this agenda is subject to revisions or additions up to 48 hours before the meeting time.
