Spoke on her situation with the Department of Buildings and needing a permit to have her roof repaired

Council Response:

Councilman Wallace: I will assist on helping expedite the process on getting a permit to fix a leaking proof

Councilwoman Gleason: I contacted Deputy Commissioner Mamak and she will help assist with the permit

Councilman Boxhill: I am confident that the issue will be handled quickly and I appreciate your apology Mrs. Frank

Councilwoman Turnquest - Jones: Thank you Mrs. Frank, but you don't owe us an apology for a first time offense. This will be helpful to others when they have a roof leak too

Council President Thompson: I will look at the forms because I am unsure of what permit is needed. The permits are there to protect homeowners.

2.) Cynthia Crenshaw - 7:08 PM

NO SHOW

3.) Geoff Monroe - 7:09 PM

Drones as a first response system in Mount Vernon

Council Response:

Councilman Wallace: I am not familiar with this item but I will review the information sent

Councilman Boxhill: I will review the information as well but thank you for sharing.

Councilwoman Turnquest - Jones: I read the article sent and was alarmed by the information and how they are using surveillance against immigrants

Council President Thompson: I believe the drones will be an asset and i agree there are pros and cons for everything.

4.) Sal's (Owner of Sal's Deli) - 7:14 PM

Work he's done and has completed everything a constituent asked for, but was still faced with complaints

Councilwoman Gleason: Spoke on being victimized by being subjected to allegations and appreciate the investigation that was done and thanked the speaker (Sal) for coming in.

Councilman Boxhill: Thanked Sal for coming in and for his long service to Mount Vernon as a business owner. He then deferred his recommendation from corporation counsel

Councilwoman Turnquest - Jones: Spoke on being on the board when the building was being erected and the issues with the playground area and had no issues with out concerns and that all equipment and the wall was addressed. Thanked him for the level of integrity and ensured their safety.
