5. **Case ZA 29-25 – 3701 Williams Boulevard** – An appeal to Ordinance No. 11,062
Section 9.07 (b) Greenbelts: A greenbelt is the required landscaping space adjacent to the property line of any public right-of-way of which the developed site fronts. Such areas must be landscaped based on the following criteria. The first five (5) feet extending from the property line along developed public rights of-way must be landscaped in accordance with provisions set forth below:
 - (1) The greenbelt must contain:
 - a. A minimum of one (1) tree for every forty (40) linear feet of street frontage, or fraction thereof, measured at the property line. The required trees may be located anywhere within the above area. Corner lots with frontage on more than one (1) street must calculate the street planting requirements along the entire street frontage.
 - b. A minimum of one (1) shrub per ten (10) linear feet of right-of-way frontage. Shrub and non-turf ground cover plantings must cover forty (40) percent of the greenbelt. The required shrubs and ground cover can be arranged in any manner.
 - c. A minimum of seventy-five (75) percent of the greenbelt must have a ground cover or grass and other plant materials. The remaining twenty-five (25) percent may be covered with rock, stone, bark, etc., and other impermeable features including sidewalks and points of ingress and egress.
 - (2) The greenbelt requirement is in addition to the site square footage requirement.
 - (3) The greenbelt may contain earth berms, masonry walls, pedestrian walkways, site furniture, signage, site lighting, irrigation systems, fountains, play equipment, drainage facilities including micro detention/retention basins, detention/retention ponds and any other appropriate landscape features as approved by the Director of the Department of Inspections and Code Enforcement in consultation with the Director of the Planning and Zoning Department.

(4) Retaining existing vegetation, either as lone growing specimens or groves of trees, within the greenbelt is highly encouraged. As an incentive to preserve existing non-invasive healthy trees and specimen shrubs found growing within the site area, credit for trees, shrubs and ground covers will be given as outlined in section (d) Landscape standards, (6) Tree preservation towards standards set forth in section (d) Landscape standards, (3) Landscape requirements. Underbrush and non-native weeds may be removed.

6. **Case ZA 1-26 – 58 Dogwood Drive** – An appeal to Ordinance No. 11,062 **Section 12.03(b) Required Yards:** Every part of a required yard shall be open to the sky and shall not be occupied or encumbered by any use or structure not authorized in any other section of this zoning appendix.
