Matters for Discussion

- A resolution for the purchase and installation of dump-body and snow and ice control equipment from Concord Road Equipment, Mfg., Inc. The equipment has been budgeted and approved in the Service Department's 2026 capital and will be purchased through Ohio DAS Contract, #STS515.
- A resolution for the purchase of a Ford F-350, 4x4 Pickup from Classic Ford. The truck has been budgeted and approved in the Service Department's 2026 capital and will be priced through Ohio DAS Contract, RSI010870.
- A resolution allowing the City to participate in ODOT's WINTER SALT CONTRACT 018-27. ODOT requires municipalities to submit their legislation and tonnage requests for the 2026-27 winter season no later than May 1, 2026, at 5:00 pm.
- A resolution for the purchase of a 2-Post lift which has been budgeted in the Service Department's 2026 capital. This piece of equipment will be purchased through Sourcewell Contract #121223-MRL.
