

**CITY OF HUGO**  
**CITY COUNCIL AGENDA REPORT**

**TO:** Bryan Bear, City Administrator  
**FROM:** Scott Anderson, Public Works Director  
**SUBJECT:** Sale of Miscellaneous Equipment  
**DATE:** For the City Council Meeting of March 1, 2026

**BACKGROUND**

Public Works and Fire Department staff are requesting City Council approval for the sale of several pieces of equipment that are no longer of service to the City. Some of this equipment has been replaced and new equipment is already in service, other pieces are just simply no longer used and have been stored at Public Works. Public Works staff would like to utilize an online auction service to facilitate the sale of this equipment. The following is a list of equipment that staff would like to list with an online auction site:

- Bobcat planer attachment
- 2006 Wacker roller
- 2011 Toro Turbo Force 36" walk behind mower
- 61" rake thatcher for Toro mower
- Industrial Air 30 gallon electric air compressor
- Pro-Lift 350 pound lawn mower lift
- 2004 Chevy 2500 pickup truck
- 2007 Chevy 2500 pickup truck
- Bauer Compressors SCBA tank refill station
- 6 count of 6000 psi storage cylinders
- Recycled pallet racking

**DESIRED ACTION**

Staff is requesting Council authorization to move forward with the sale of the above listed equipment using an online auction format.
