Public Participation None

City Council Update (Karma O'Neill)

Provided an update on activities associated with the recent snow storms and weather ie. hosting unhoused people at the Stanton Center through the OEM as well as snow clearance.
City Council Transportation Committee met in December and she provided an update on garages and software.

The Annapolis Transportation Department launched AnnapolisGo which has seen increasing use and she had additional comments on micro-mobility.

The Board did ask about relative costs and efficiency of these different modes and grant funding versus City budget.

The Board provided feedback on the recent challenges with weather — in a nutshell “destroying sidewalk utility in favor of cars”

Annapolis Transportation Department Update (Beth Dolezal)

Nearing the end but very much in the ideology or development phase.

New Business

Election of Chair and Secretary. The Board voted and approved a motion to defer this vote until the next meeting.

Around the Table (only those with topics are listed)

David DiQuinzio noted support for passenger rail in light of the new administration.

Tara Ashmore on compiling a “compendium” of relevant documents for the ATB.

Adjournment: Mr. Riegel adjourned the meeting.
