This meeting of the Easthampton Conservation Commission will be conducted in-person and simultaneously via remote participation online to the greatest extent possible. Every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on the City of Easthampton website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Should an interruption occur in which the online meeting ends abruptly, both the in-person and online meetings will not be restarted, and all agenda items will be automatically continued to the next scheduled meeting.
