Next meeting: June 13, 2023, 7:00 pm

1. **Call Meeting to Order at 7:05 pm by Andrew Hawickhorst**
2. **April Meeting Minutes approved.**
3. **Treasurers Report** by Jarnell Craig.
4. **Budget Discussion:** Jarnell is transferring Wynnedale account from Key bank to Huntington Bank. That is in process. Andrew suggested depositing money in a daily liquid, high yield money market savings account.

Jarnell submitted paperwork for the ARP supplemental distribution funding that Wynnedale received.

5. Discussion Issues and Topics:

- a. **Vacant, unfinished House:** Sherriff's sale of unfinished house on Wilshire will be on June 16, 2023
- b. **Stormwater Issues:** Sue is in contact with Shannon at DPW (stormwater administrator) regarding help in addressing the stormwater runoff issue on Wilshire Road. Water is draining across the road instead of in the roadside drainage swale.
- c. **Dumpster Issues:** There appears to be misuse of the Wynnedale neighborhood dumpsters. Large appliances were deposited and box springs were set to overflowing the dumpster. It appears as if people outside of the neighborhood are using our dumpsters. We will make sure we add further restrictions to the next dumpster flyer.
- d. **Lighting:** AES indicated they were going to install a photo cell on light fixture(s) in North Wynnedale, but that has not happened yet. Sue is in contact with Lisa at AES.
- e. **Summer meeting:** There will be no July meeting.

6. Meeting Adjourned
