III. CDDO Business Consent Agenda

- A. Capacity – please see attached report. There is only one residential vacancy in the county, and it is a medically fragile vacancy at Capper.
- B. Funds availability – invoices not due until the 10th so no report of August service allocation however, we are in the County appropriation period of the year and there are more than adequate funds to meet the need.
- C. New TCM Provider & Term Monaco & Associates – As seen in the paper, there is a newly affiliated TCM provider, Our cozy Corner. The owner/operator is finalizing work with each MCO and will soon be taking referrals. On the other side, Monaco & Associates is still under KDADS cap and has elected to terminate affiliation.
- D. Community Council – The August meeting focused on self-esteem, at work, at home, taking care of self and working with the support team to make your needs and wants known. There was great attendance at his meeting with good participation. The last Council meeting for 2025 will be held on November 6th at 10am at the CDDO.
- E. September Site Visits – Susan will reach out to Bob and Victoria to set up dates for September drop in visits.

IV. Other Items for the Board

- A. Bob addressed the Board regarding his concern for position vacancies and absences. The Board directed Susan Slothower-Gober to draft letters to those Board members. The

Board also directed Susan to reach back out to Capper to try and identify a representative member from their organization.
