REQUEST

Provide direction on whether and how park curfew hours should change and if PRG should increase the contract with Front Range Patrol to conduct after-hours patrols of parks seven days per week.

BACKGROUND

On November 18, 2024, City Council approved a motion directing the City Attorney to prepare a legal memorandum analyzing whether City Council may amend section 7-1004 of the Commerce City Revised Municipal Code ("CCRMC") to change the park curfew from 11:00 p.m. to dusk, 9 p.m., or another time that it deems appropriate for purposes of protecting public health and safety.

On January 27, 2025, City Council directed staff to look into options to change the park curfew.

On February 18, 2025, PRG staff shared this topic with the Parks, Recreation & Golf Advisory Committee.

Currently, the park curfew is from 11pm to 5am, daily for all parks, open spaces, and trails. During daylight hours, seven days per week, Park Rangers patrol parks, trails, and open spaces and provide education and enforcement of the park rules. After hours, PRG contracts with Front Range Patrol to patrol select parks on Thursdays, Fridays, and Saturdays.

CITY COUNCIL COMMUNICATION CONTINUED

Staff is presenting a variety of options for Council consideration in potentially changing park curfew hours, and potentially increasing the contract with Front Range Patrol to conduct after-hours patrols of parks seven days per week.
