LouAnn discussed the budget on behalf of the clerk. Each person has a copy of the budget in front of them during discussion. Lou Ann stated our levy decreased. We decreased the ad valorem tax because we got a lot of delinquent tax last year. Salary and wages, utilities, and street lights, supplies and postage, equipment repairs, insurance publications and classes all increased. We have \$8,000 in special highway, and \$4,000 in reserve. The water section should be doing good, we have \$3,000 in reserve and \$5,000 for bond payment. Increased payroll for water, supplies were bumped up as well.
