RECREATION, PARKS, HISTORIC & CULTURAL AFFAIRS DEPARTMENT

Hello Roswell!

Summer has always been my favorite time of year. It's the season when our parks truly come alive—filled with laughter, energy, and the sense of connection that makes Roswell such a special place to call home. From children discovering new interests at summer camp to families enjoying time together outdoors, summer is when our community shines.

Behind the scenes, our incredible Recreation, Parks, Historic & Cultural Affairs team has been working diligently to prepare for another outstanding summer. Our staff is passionate, dedicated, and eager to welcome campers and families with thoughtfully planned programs designed to be fun, enriching, and memorable. Their commitment to creating safe, engaging, and high-quality experiences is something I am incredibly proud of.

Summer programming would not be possible without the continued support of our community and City leadership. I would like to extend my sincere thanks to our Mayor and City Council for their ongoing support of our department. Their investment in these services allows us to provide meaningful opportunities that enhance quality of life for residents of all ages.

On behalf of the entire Roswell Recreation, Parks, Historic & Cultural Affairs team, thank you for choosing to spend part of your summer with us. We look forward to welcoming you and helping create lasting memories throughout Summer Camp 2026.

Warm regards,

Summer Camps

Important Summer Camp Update at Roswell Area Park:

Beginning this summer, our full day camp program will relocate from Roswell Area Park (RAP) to Crabapple Center. As part of this transition, **early drop-off and late pick-up** will also move to Crabapple Center and no longer be available for camps offered at RAP. As we continue to streamline operations, RAP Stay & Play option has been discontinued to enhance the overall camp experience. RAP will continue to offer specialty camps, along with new and exciting programs for all ages, including a Full Day Art Camp at the Visual Art Center, throughout the summer. **East Roswell Park will continue to offer early drop-off, late pick-up and stay & play.**

Students learn many magic tricks and illusions, both from the classic days of magic and more modern street magic. Classes teach kids social skills, such as how to perform in front of their peers. They not only learn amazing feats of magic but also gain the confidence needed to present a show in front of a large audience. Students make a special Magic Box to store the magic props handed out each day. A special MAGIC SHOW is offered on Friday, the last day of class, to which their parents and friends are invited, so the kids can show off the astounding feats of magic they have learned in this wonderful week-long class.
