Council Business

Len Pinto- A letter was mailed to the borough about code violations, Len will bring these concerns to the Code Enforcer.

Dane Collins- Events, what else do we have through the year?
Victorian Fair, Third Thursday, Fall Festival

Santa Comes to Town, let's blow this out more. Same look as Third Thursday- but Winter Village.

Shellie said we've tried this in the past and it's hard because people come thinking they are getting items for free, which makes it harder for vendors. Main Streets aren't opposed to having a larger event but needs to figure out logistics. The Train schedule also dictates the schedule of events. We will put Santa at the new clock. Dane said he will discuss with the RP Business Association.

Dane Collins- Ordinance update... It is currently with the solicitor, with hopes to pass at the September meeting. These ordinances are property maintenance, sidewalks, abandon vehicles and curfew.

Public Comment

Mike Gale 51 Collier Circle

At the last meeting, a motion was made by ARPA for the police, what does this consist of?

Not sure of the total amount off the top of his head, but it was for police uniforms, car printers, new wiring for the station etc. Council President said he would supply the documentation.

The Tot Lot in Hetzel Park, there are tons of weeds, the highway did come and spray but it just killed the weeds. Can they come back and pull the weeds?

The highway did come and clear the railing at the foot bridge when council received Gale's email, but he believes after a few weeks the weeds will come back.
