☐ Administrative Business	☒ Noticed Council Business
☐ Informational Presentation	☐ Consensus-Building Presentation

BACKGROUND/REQUEST

A discussion amongst City Council regarding the potential enactment of a one-year moratorium prohibiting City approval of the construction of future fuel sales operations. This one-year moratorium will allow the City time to study the development and environmental impacts of gas stations.

Potential motion:

I would like to make a motion directing City staff to draft an ordinance creating a one-year moratorium prohibiting City acceptance or approval of any new application for the construction of future fuel sales operations to allow the City time to study the development and environmental impacts of gas stations on the community.
