2025 DCAB Goals

DCAB's Goals

As of 2023, DCAB adopted priorities to shape and inform the year ahead, with specific focus on the Durham Cultural Roadmap. Based on inputs from board members, staff, and elected officials, DCAB established the following priorities:

- Advocate for more city and county funding and support for arts and culture in Durham
- Support the implementation of a new Cultural Roadmap
- Strengthen and improve relationships with artists, arts and cultural organizations, communities, neighborhoods, and people of Durham.
- Support and strengthen the work of the Public Art Committee

DCAB also adopted the following as core values to guide their work:

- DCAB will act as stewards of the Durham Poet Laureate program.
- DCAB defines historically excluded communities as any group of people (by gender, ability, race, ethnicity, sexual orientation, or other identity) who have been or are currently underrepresented either numerically, systemically, in ways of power, in positions of authority, or in adequacy of resources in Durham's arts and cultural social structures.

DCAB's Identified Future Needs

- Continued engagement by City and County leadership, residents, and community leaders throughout the planning process to robustly inform the Durham Cultural Roadmap.
- Budgeted investment in FY25 to support the Durham Cultural Roadmap's identified goals, initiatives and strategies, throughout plan's initial implementation.
- Partnerships and alignment with all City and County departments working in the arts & cultural sector.
- Poet Laureate honorarium increases to align with a living wage and to match similar peer cities' poet laureate programs.
- Increasing staff to implement adopted Durham Cultural Roadmap's goals.
- With assistance from the Public Art Committee, define best practices for public art & private development in the updated Unified Development Ordinance
