Richard Irving, a Great Falls resident and library cardholder, addressed the Board and commented that the prior month's materials appeared to reflect two separate agendas that may have been inadvertently combined into one report.

Ms. Bulger asked if there was any addition board or public comment; upon hearing none, she called for a vote. Motion passed by unanimous vote of members present.

II. PLEDGE OF ALLEGIANCE

III. STAFF INTRODUCTIONS

Cody Hughes and Terri Gordillo introduced themselves to the board.

IV. PUBLIC COMMENT

Richard Irving, a Great Falls resident and library cardholder, addressed the Board regarding the library's master planning process. He stated that library funds, whether public or donated, should prioritize necessary improvements rather than discretionary features. He also expressed

concern about the level of public input in the planning process and indicated he may provide additional comments in the future as more information becomes available.

Cameron Swathwood, a Great Falls resident and library cardholder, addressed the Board as a private citizen. He expressed concerns about safety, cleanliness, and the presence of individuals he perceived as loitering in and around the library, stating that these conditions have negatively affected his family's experience when visiting the facility. He encouraged the Board and library leadership to consider how these issues impact families and other patrons and asked that they ensure the library remains a welcoming environment for community members.

V. ADOPTION OF THE MINUTES

Ms. DeForest moved that the Great Falls Public Library Board of Trustees approve the minutes of the January meeting as presented. Ms. Johnson seconded the motion. Ms. Bulger opened for any board discussion or public comment.

Richard Irving, a Great Falls resident and library cardholder, addressed the Board regarding the approval of prior meeting minutes. He expressed concern that the minutes being approved did not correspond with the meeting listed on the agenda and encouraged the Board to ensure the record accurately reflects the correct meeting to avoid potential issues. He also clarified a prior comment, stating his concern was that a board member indicated they could communicate with staff regardless of policy, and he noted that the Board did not address that statement at the time.

Ms. Johnson clarified that the Board held only one regular meeting in January, which occurred on January 27, and that the Board did not hold any other meetings in January or December.

Ms. Bulger asked if there were any more comments; upon hearing none, she called for a vote. Motion passed by unanimous vote of members present with one member abstaining.

VI. ACCEPTANCE OF THE FINANCIAL REPORTS

Ms. Bulger asked if anyone had questions regarding the financial reports.

Ms. Johnson noted on page 6 the taxes that have come in.

Ms. Bulger inquired about differing amounts listed for Amazon maintenance supplies on pages 10 and 11. Mr. Kueffler explained that one payment was made via vendor invoice and the other via credit card.

Ms. Johnson asked about issues with the drive-up window on page 12; Mr. Kueffler noted the microphone had malfunctioned but reported it has been addressed.

Ms. Bulger highlighted a donation from the Montana Arts Council, confirmed by Ms. Johnson as part of a grant.

Ms. DeForest moved that the Great Falls Public Library Board of Trustees accept the financial reports as presented. Ms. Johnson seconded the motion. Ms. Bulger opened for any board discussion or public comment.

Ms. Johnson stated that she had met with Ms. Dissmeyer and Mr. Kueffler regarding a matter, it is good now and she will have discussions with them going forward.

Ms. Bulger called for a vote. Motion passed by unanimous vote of members present.

VII. REPORTS

MANAGER REPORT

Ms. McFadden presented her Manager's Report.

DIRECTOR REPORT

Ms. Dissmeyer presented her Director's Report and reported that the library's new phone system has been installed and is functioning, with staff continuing to become familiar with the system. She credited staff for coordinating the installation and noted the transition was completed earlier in the week.

Ms. Dissmeyer also reported on an introductory meeting with project consultants regarding the building project. She stated that staff feedback and her own experience prompted several suggested revisions to the current plans, including exploring relocation of the children's area to the third floor, consolidating restroom locations for efficiency, and evaluating the removal of the proposed automated materials handler due to cost and space considerations. She noted that revised plans incorporating these options would be developed for further review.

Additionally, Ms. Dissmeyer reported that she has begun the state library certification process and has completed initial coursework toward the required training hours.

Board members asked questions regarding staff introductions and coordination with City officials. Ms. Dissmeyer stated she has met with most City department leaders and expects additional meetings as orientation continues.

GFPL FOUNDATION REPORT

Ms. Laurin presented the Foundation Report. She reported that the "Love Your Library" campaign was highly successful, generating nearly 600 letters from community members expressing support for the library. She noted that many messages highlighted themes of community, belonging, and the library as a welcoming and supportive space. Ms. Laurin added that the Montana Library Association expressed interest in replicating the campaign statewide in the future.

Ms. Laurin also reported that Great Falls will host the upcoming Montana Library Association conference. The library will host the welcome reception for conference attendees, and she

noted the event will provide networking opportunities for library professionals and board members from across the state.

Board members discussed potential roles for trustees during the conference, including attending sessions, networking with other library boards, and assisting as hosts during conference activities.

Ms. Laurin also provided an update on the Early Literacy Outreach Specialist position funded through a private family foundation grant. She reported that the grant was renewed for a second year with increased funding of \$40,000 and that the program continues to be well received. She explained that the grant allows applications for three consecutive years, after which the foundation and donors hope the program will transition to a sustainable funding model supported by the library and additional donors. She noted the position is currently structured as a part-time city employee funded through a designated project account created for the grant.

CHAIR REPORT

Ms. Bulger had nothing to report.

BOARD REPORT

No board reports given.

CUSHING TERRELL REPORT

Ms. Laurin reported that there were no additional updates. She noted that the current work is winding down and that any changes discussed by Ms. Dissmeyer remain within the scope of the original contract and previously approved plans.

STRATEGIC PLAN

Ms. Bulger opened discussion on the strategic plan, noting that Ms. Dissmeyer had met with Ms. Sloan, who is available to assist the Board in developing the plan. Ms. Sloan is willing to attend in person or virtually, and the Board can set the timeline for moving forward.

The Board discussed coordinating the timing of the Director's evaluation with the strategic planning process. Ms. Bulger shared guidance from Human Resources that the evaluation should not occur too early, suggesting a goal to have evaluation input, goals, and compensation recommendations ready by June 1, with the final submission due June 15. Compensation for the Director would be prorated based on months worked since her January start date.

Ms. Johnson recommended adding a formal agenda item for the March meeting to clarify expectations for the Director, including desired goals for the coming year. Ms. DeForest suggested that this year's evaluation may be more informal, given the Director's recent start and limited exposure to the full scope of responsibilities. Ms. Bulger agreed, noting that the focus for the Director in this initial period is on learning the staff, budget, and stakeholders in the community.

Regarding the strategic plan itself, the Board agreed to hold a special meeting separate from a regular board meeting to allow sufficient time for training and discussion. Ms. Bulger will coordinate with Ms. Sloan to schedule the session, and Board members are encouraged to prepare ideas and suggestions in advance. Ms. Dissmeyer offered to assist in preparing any materials or information the Board may want ready for that session.

The Board confirmed that multiple sessions might be required, reflecting the time-intensive nature of developing a comprehensive strategic plan.

VIII. OLD BUSINESS

PUBLIC LIBRARY STANDARDS: QUARTERLY TRAINING

The Board discussed trustee training requirements. Ms. Bulger noted that the Board previously completed training during the October session and asked whether additional training was needed. Ms. Dissmeyer stated that the October meeting satisfied the quarterly training requirement and that the agenda item was included so the Board could discuss future training opportunities.

Ms. DeForest suggested the Board attend an upcoming screening of *The Librarian* followed by a panel discussion, and Ms. Dissmeyer agreed it would be a valuable program.

Ms. Johnson asked for clarification regarding the state requirement referenced in the Montana Code, noting that it appears to recommend three hours of training per year and asking whether the Board's quarterly training practice exceeds that requirement. Board members discussed that the quarterly approach had been adopted previously to distribute training throughout the year rather than completing it all at once.

Ms. Dissmeyer stated that the continuing education expectation applies to trustees individually and that trustees may complete the recommended hours either together as a board or individually and report completion. Ms. Bulger stated she would seek clarification regarding the applicable timeline for the training requirement.

LIBRARY BOARD 2026 TASK CALENDAR

The Board briefly revisited discussion of the 2026 Task Calendar. Ms. Bulger reported that, based on guidance from City Human Resources, evaluation and compensation timelines can be adjusted when employees are hired mid-year, as many City positions are filled throughout the year. She noted that the calendar itself could remain unchanged, with adjustments made as needed for the current year due to the timing of Ms. Dissmeyer's hiring.

Ms. Johnson suggested adding a specific agenda item at a future meeting to discuss the process and format for the Director's evaluation, including potential questions or goals appropriate for the shortened evaluation period. She recommended placing the evaluation discussion on a future agenda so the Board could determine its approach.

Ms. Bulger agreed to include the Director evaluation discussion on a future agenda and noted she would also speak with Ms. Sloan regarding timelines for beginning the next strategic planning process. Board members clarified that the evaluation discussion and the strategic planning process are separate matters.

IX. NEW BUSINESS

No new business was presented.

X. PROPOSALS/COMMENTS FROM TRUSTEES

No proposals or comments were presented.

XI. ADJOURNMENT

Ms. Johnson moved that the Great Falls Library Board of Trustees adjourn the meeting. Ms. DeForest seconded the motion. Ms. Bulger called for a vote.

Motion passed by unanimous vote of members present.

Ms. Bulger adjourned the meeting at 5:34pm.

Director's Report Great Falls Public Library March 2026

- 1. DIRECTOR TRANSITION:** I continue to meet with staff and supervisors to learn the work culture and procedures of the library. The library leadership team has met and is looking at ways of increasing our effectiveness as a team. I continue to be overwhelmingly impressed by the staff and supervisors, both in their knowledge and creativity but also their dedication and teamwork. I feel incredibly fortunate to be here at this time.

I'm including in this packet a few suggestions for evaluating my first six months. I did this simply to give the board a starting point for discussion.

- 2. ALL STAFF MEETING:** We will be holding an all-staff meeting from 8am-10am on Wednesday, March 25th. The purpose of this meeting is to go over policy interpretations, planning for upcoming events and general staff training.
- 3. PHONE SYSTEM:** The phone system has been installed, adjusted and is working well.
- 4. BOARD CALENDAR:** I'm including this month a proposed "Board Calendar" that incorporates the previous year's "task" calendar. This calendar can be used each year to identify what actions the board must take at specific times. It also provides a roadmap for continual policy review, board training and leadership reports. The proposed policy reviews are presented in the order of the current manual and should be considered flexible as the needs of the library evolve.

GOAL #1: CREATE A SAFE, ACCESSIBLE LIBRARY THAT WILL SERVE THE COMMUNITY FOR THE NEXT 50 YEARS

What we need to do:

1. Develop **community awareness and support** of the [Library Master Plan](#) and the Library Remodel project.
 2. In partnership with the Library Foundation, develop a multi-pronged capital campaign to engage the community and other stakeholders to raise \$15,000,000 to remodel the Library.
 3. Engage a professional team to create the detailed designs for the Library remodel as proposed in the Library Master Plan
 4. Following all appropriate City and State rules, contract with appropriate professionals to remodel the Library as proposed in the Library Master Plan.
 5. **Remodel the Library** as proposed in the Library Master Plan.
 - Update critical building systems including electrical and mechanical systems
 - Increase accessibility through improved stair/elevator access and updating restrooms
 - Redesign Library spaces to align with community needs
 - Increase energy efficiency
 - Address security concerns and create a welcoming environment
-

Current Status:

1. Over the past 3 years, Library staff and supporters have done numerous presentations and conversations to build community awareness and support for the Library Master plan.
2. The Library Foundation is laying the groundwork for a capital campaign and continues to work with Library staff in this effort. The Foundation raised in excess of the amount needed to fund the Cushing Terrell library remodel architectural design and since has been building their capacity to conduct a successful campaign.
3. Cushing Terrell has been engaged to create the remodel design.

Next Steps:

1. The Foundation will continue laying the groundwork for a capital campaign and will work with Library staff and Board as needed.
2. The Foundation will lead coordination with the City of Great Falls to ensure that appropriate agreements and communication systems are in place, with Library support.

Future Steps:

1. The Foundation will develop and lead a multi-pronged capital campaign to raise the funding for the remodel, working with Library staff and Board as appropriate.
2. The Library (staff and Board) will work closely with the City of Great Falls to appropriately contract for the remodel work once the funds are raised by the Foundation.
3. Remodel the Library as laid out in the design created by Cushing Terrell.

NOTE: Remodeling the Library will also require planning to continue to provide service during construction.

GOAL #2: DEVELOP ADEQUATE, SUSTAINABLE FUNDING FOR A THRIVING LIBRARY

What we need to do:

1. Develop **community awareness and support** of the Library Master Plan and the need for adequate **funding for Library services**.
2. Work with stakeholders such as the Belt Public Library, Wedsworth Memorial Library, Cascade County, and the City of Great Falls to **develop a Mill Levy proposal** to meet the Great Falls Public Library funding needs as delineated in the Library Master Plan.
3. Work with the Library Foundation and other community **Stakeholders to put a Library Mill Levy before the voters**.
4. Work with the Library Foundation and other community Stakeholders to **pass the Library Mill Levy**.

Current Status:

1. Library Mill Levy election passed on June 6, 2023 increasing the number of Library voted mills from 2 to 17.
2. A new City/Library Management was approved by both the City Commission and the Library Board. The new agreement made changes to the Library's organization and relationship to the City of Great Falls. It also reduced the City financial support for the Library by 3.5 mills.
3. The Montana Legislature restructured property taxes and how voted mill levies are structured. The property tax restructuring resulted in a certified value of a Great Falls Mills for FY2026 at \$114,902.86 which is a significant drop from the FY2025 value of \$132,152.00. At the August 19th City Commission meeting, the City Commission approved Resolution 10599 resetting the Great Falls Public Library voted mills as required by SB 542/HB 231. Resolution 10599 resets the City Commission authority to levy up to 19.55 Mills. This results in reduced Library funding for FY2026.

Next Steps:

1. The Library (staff and Board) will work on future budgets to ensure that the Library has the staffing and resources to provide excellent Library services meeting the needs of the community.

GOAL #3: DEVELOP LIBRARY SERVICES AND STAFFING TO MEET THE NEEDS OF THE COMMUNITY

What we need to do: (some of these will not be able to be accomplished until goals #1 and #2 are accomplished)

1. Develop **community awareness and support** of the Library Master Plan and **expanded Library services**.
2. Hire and train additional staff to enable the Library to be **open 7 days a week**.
3. Hire and train additional staff to enable the **Library Bookmobile** to provide community outreach **6 days a week** including relaunching the Library's **Homebound Program**
4. Develop and implement a plan to provide **free parking for Library patrons**.
5. Develop and implement a **plan to improve Library safety**
 - Contract with a local mental health agency to have a social worker or licensed counselor at the Library at least 20 hours a week
 - Hire and train at least two full-time Safety Specialists to patrol the Library and Library grounds during open hours. The primary duties of the Safety Specialists will be to engage with patrons and enforce the patron behavior policy—with a focus on de-escalation and community connection.
6. Collaborate with all of the school districts (including the private schools) in Cascade County **expand student access to Library resources**
7. **Expand the electronic resources** available for Library Card holders (language resources, expanded **eBook & eAudiobook collection, research resources, video streaming resources...**)
8. **Expand services for children and parents** including reading readiness and early literacy.
9. **Expand the Library services for teens** to include college preparation services, ACT/SAT readiness services and expanded Library programming and resources.
10. Expand the **Library's engagement** with the community including
 - Providing expanded **educational/recreational programing**
 - Connecting patrons to **computer and technology classes**
 - Expanding services and resources for **businesses, entrepreneurs and job seekers**
 - Supporting **DIY services** such as **audio/video recording, 3D printing and makerspace programing**

 - NOTE: Decreased funding due to the new City/Library resulted in the discontinuation of the agreement to have a mental health professional at the Library 5 days a week
6. GFPL continues to build partnerships with local schools.
 - Once a month, GFPL is distributing flyers through the GFPS Wednesday Envelope.
 - GFPL is partnering with GFPS on their MT Reads Grant to support multiple community literacy events.
 - Youth Services is partnering with 4 local middle schools to build a Fall reading challenge and to provide a MT Rep performance and workshop.
7. GFPL has greatly expanded electronic resources for the community including purchasing extra copies of high demand MontanaLibrary2Go titles and adding new electronic platforms (LinkedIn Learning, Mango Languages, ABCMouse, Chilton Autorepair, Kanopy (video & TV streaming).

8. GFPL hired additional Youth Services staff which in order to provide more services.
