REQUEST

Review efforts and recommendations for public infrastructure improvements, investments and policies for the revitalization of the Derby urban renewal district.

BACKGROUND

The Derby Sub-Area Plan and related plans and documents adopted and/or reviewed by City Council are relevant today as the issues, challenges and opportunities to revitalize the Derby Old Town commercial area remain. While there is agreement regarding the actions contained in these plans, little action has occurred to implement the recommendations contained in these:

- 2007 Master Plan; 2007 PUD, amended in 2009 & 2015;
- 2007 Design Guidelines;
- 2009 Urban Renewal Area est.;
- 2009 Derby Design Review Bd. est. ;
- 2014 Historic Resource Survey;
- 2018 Wayfinding & Lighting Plan
- Refer to attachments Derby Market Study and Implementation slides prepared by RickerCunningham
- You cannot insert tables into this field. If you need tables (e.g. table of bid responses, etc), please attach a PDF of the table to the Attachments tab in Legistar. Arial 14pt font. No other formatting should be applied.

FINANCIAL IMPACT

CITY COUNCIL COMMUNICATION CONTINUED
