**I. AGENDA APPROVAL**

Ms. Crist moved that the Great Falls Public Library Board of Trustees approve the agenda as presented. Ms. DeForest seconded the motion. Ms. Bulger opened for any board discussion or public comment.

Richard Irving, a Great Falls resident and library cardholder, addressed the Board regarding inconsistencies on the library's website and meeting materials. He stated that the agenda and board packet did not clearly reflect that the March 24 meeting had been rescheduled to the current meeting date. He urged the Board to correct these discrepancies, expressing concern that such errors could lead to potential legal or public trust issues if not addressed.

Ms. Johnson clarified that no formal action requiring motions would be taken under old or new business, as such items were not listed on the agenda. Ms. Bulger confirmed that no formal action would occur.

Ms. Johnson further requested that the meeting minutes reflect that the meeting was a rescheduled session, despite this not being indicated on the agenda packet. Ms. Bulger agreed to include this clarification in the minutes.

Ms. Bulger asked if there was any addition board or public comment; upon hearing none, she called for a vote. Motion passed by unanimous vote of members present.

## **II. PLEDGE OF ALLEGIANCE**

## **III. PUBLIC COMMENT**

Richard Irving, a Great Falls resident and library cardholder, addressed the Board expressing concern about the handling of website notices related to the meeting, urging greater transparency with the public. He also commented on proposed library remodel concepts, opposing ideas that would relocate or isolate children's areas, and emphasized the importance of maintaining visible and accessible spaces for children within the library.

## **IV. ADOPTION OF THE MINUTES**

Ms. DeForest moved that the Great Falls Public Library Board of Trustees approve the minutes of the February meeting as presented. Ms. Johnson seconded the motion. Ms. Bulger opened for any board discussion or public comment. Upon hearing none, she called for a vote. Motion passed by unanimous vote of members present.

## **V. ACCEPTANCE OF THE FINANCIAL REPORTS**

Ms. Bulger asked if anyone had questions regarding the financial reports.

Ms. Bulger inquired about donations made in Mr. Graybill's name, asking whether such contributions would be directed to the library with appropriate recognition. Ms. Crist responded that donations are recommended to be made to the foundation and are intended to support remodeling efforts, noting prior fundraising connections to the building.

Ms. Bulger commented that the highlighted formatting in the library vendor summary was helpful for readability and organization, and confirmed with Mr. Kueffler that he implemented the format. Ms. DeForest asked about the purpose of an additional detailed sheet included with the vendor summary. Ms. Dissmeyer explained that the sheet is generated from the city system and provides more detailed information to supplement the summary, added at Mr. Kueffler's suggestion for board usefulness. Ms. Bulger stated she found the additional detail beneficial.

Ms. Bulger requested clarification regarding the Carnegie Corporation gift and the status of the phone system. Ms. Dissmeyer confirmed that the system has been installed and is functioning well.

Ms. DeForest moved that the Great Falls Public Library Board of Trustees approve the financial reports as presented. Ms. Crist seconded the motion. Ms. Bulger opened for any board discussion or public comment.

Richard Irving, a Great Falls resident and library cardholder, addressed the Board and reiterated concerns regarding the difficulty of understanding the financial reports. He stated that the reporting format, which follows the city's required system, contributes to the lack of clarity. Mr. Irving suggested that maintaining a separate, comprehensive set of financial records using a standard debit and credit system could improve clarity and reduce the risk of items being overlooked, acknowledging this would require additional effort and expense.

Ms. Bulger asked if there was any addition board or public comment; upon hearing none, she called for a vote. Motion passed by unanimous vote of members present.

## **VI. REPORTS**

### **DIRECTOR REPORT**

Ms. Dissmeyer reported that she has now met individually with nearly all library staff members, having previously met in small groups. She described the meetings positively and stated she feels fortunate to work with a dedicated and skilled staff.

Ms. Dissmeyer noted that upcoming agenda items included in her report were provided to support Board discussion and decision-making, offering topics for consideration where direction may still be needed.

Ms. Dissmeyer announced that the Montana Library Association (MLA) will hold a meeting in Great Falls in April. She stated the library will close at 5:30 p.m. on April 15 to host an opening reception for librarians statewide and the Montana Book Awards. She also noted staff participation in the event and expressed enthusiasm for the opportunity to showcase the library.

Ms. Crist inquired about Board member participation in MLA workshops. Ms. Dissmeyer responded that she would provide the schedule. Ms. Olson added that MLA workshops are broadly valuable and encouraged attendance at any sessions of interest, including those not specifically directed toward board members.

### **STRATEGIC PLAN REPORT**

Ms. Bulger reported that Ms. Sloan has broad availability for meetings conducted via Zoom but is more limited for in-person sessions. She requested Board input on preferred meeting formats, noting her view that prior in-person meetings were beneficial, while also suggesting a combination of Zoom and in-person options.

Ms. Crist stated that prior meetings with Ms. Sloan conducted via Zoom were effective and noted potential cost and scheduling advantages of virtual meetings. Ms. Johnson added that Board members are now more familiar with Zoom, supporting its use.

Ms. Bulger requested that Board members provide their availability for April, including dates and times of day, to assist in scheduling and coordination across time zones. She indicated that the initial meeting would focus on determining methods to gather public input regarding future library needs, such as surveys or focus groups.

Ms. DeForest inquired about the anticipated length of meetings. Ms. Bulger responded that the first meeting would likely be approximately two hours and stated she would seek additional guidance from Ms. Sloan regarding the structure and duration of subsequent meetings.

### GFPL FOUNDATION REPORT

Ms. Dissmeyer reported on behalf of Ms. Laurin that the foundation expressed appreciation to Ms. Crist for including them in the memorial. She also conveyed that the foundation has been grateful for the recent outpouring of donations received.

### CHAIR REPORT

Ms. Bulger had nothing to report.

### BOARD REPORT

No board reports given.

### CUSHING TERRELL REPORT

Ms. Dissmeyer provided a report on Cushing Terrell, stating that the firm is currently developing renderings. She noted that visual materials will be prepared and available for display at the upcoming Montana Library Association reception.

## **VII. OLD BUSINESS**

### LIBRARY BOARD TASK CALENDAR

Ms. Bulger stated that the Board's task calendar has been adjusted due to the hiring of a new director, noting this has shifted planned timelines, including the director evaluation, which was previously discussed for rescheduling to a later date. She indicated the strategic plan will be revisited and work on it will begin in the near term, and requested Board input on the task calendar.

Ms. Dissmeyer stated she organized the task calendar to ensure required annual activities—such as trainings, strategic plan review, policy review, and budget discussions—are appropriately spaced throughout the year. She noted the document is intended to be flexible and confirmed that the director evaluation is not scheduled for the current period, likely occurring in a future year. She also explained that policy review has been distributed across months to avoid addressing all policies at once.

Ms. Johnson asked for clarification regarding the timing of the library collection budget approval. Ms. Dissmeyer explained that the collection budget is reviewed earlier in the process, with broader budget approval occurring later in the spring. Ms. Johnson expressed concern about timing delays, and Ms. Dissmeyer responded that preliminary work has already begun behind the scenes and that this year's process may be consolidated.

Ms. Crist referenced prior extensive policy revisions and noted that past policy work had required significant time and discussion. Ms. Dissmeyer stated she anticipates bringing forward some policy updates and improvements, potentially out of sequence due to urgency, but does not expect them to be contentious.

Ms. Bulger stated that the task calendar is intended as a working document and raised the question of whether formal Board approval is required. Ms. Johnson asked whether formal

adoption is necessary. Ms. Bulger indicated she would seek clarification on process, and suggested that the director evaluation adjustment to June could be formalized through a motion at a future meeting to ensure clarity and consistency.

## **VIII. NEW BUSINESS**

### **DIRECTOR EVALUATION PLAN**

Ms. Bulger stated that the Board may consider a motion at the next meeting to reschedule the director evaluation to June, noting this had been discussed previously. She also requested that Board members submit any suggested questions or goals for inclusion in the upcoming director evaluation, indicating that input should be provided prior to the evaluation process.

Ms. Johnson noted that Ms. Dissmeyer had previously provided suggested goals for the Board's consideration.

Ms. Crist stated that she and Ms. Johnson had previously developed a director evaluation tool with Ms. Sloan, which she understood was intended to be used or adapted for multiple years. She expressed uncertainty regarding whether the Board intended to continue using that framework.

Ms. DeForest responded that the Board had discussed using a more informal, conversational approach for the current evaluation period. Ms. Johnson added that, given Ms. Dissmeyer's relatively recent start, the Board had agreed to use a modified, less formal evaluation approach for the initial evaluation period before transitioning to a more comprehensive process.

## **IX. PROPOSALS/COMMENTS FROM TRUSTEES**

Ms. Crist expressed appreciation to the Board, staff, and foundation for their support, cards, prayers, and acknowledgements following the recent loss in her family.

Ms. Bulger responded with condolences and stated that the sentiments expressed were heartfelt.

Ms. Bulger inquired whether Ms. Dissmeyer has had sufficient opportunity to meet with City personnel and community members connected to the library, in addition to library staff.

Ms. Dissmeyer responded that she has been meeting regularly with the City Manager and Human Resources Director to better understand City policies and procedures. She also stated that she has participated in community engagement opportunities, including attending Rotary meetings and a local event at the Russell Museum, facilitated through staff connections, which have helped her become acquainted with community members supportive of the library.

## **X. ADJOURNMENT**

Ms. DeForest moved that the Great Falls Library Board of Trustees adjourn the meeting. Ms. Crist seconded the motion. Ms. Bulger called for a vote. Motion passed by unanimous vote of members present.

Ms. Bulger adjourned the meeting at 5:03pm.

## Director's Report Great Falls Public Library April 2026

- 1. MONTANA LIBRARY ASSOCIATION:** The week of April 15th was a busy one with preparations and attendance at the MLA 2026 Annual Conference being the highlight. I was extremely proud of all the library staff for getting the building ready for the Montana State Library Commission listening session and an evening reception for conference attendees. All staff were involved at some level with preparations, decorating, hosting, demonstrating, baking or cleaning up after the reception. I continued to receive many compliments from conference attendees throughout the weekend about the wonderful library and staff.
- 2. PUBLIC LIBRARY ASSOCIATION:** In a similar manner, the PLA conference at the beginning of April was fast paced and very informative. I attended multiple sessions on community and library safety and came away with some good information for our policies and procedures. Other sessions I attended included topics on improving internal communications, strategic planning, service animals in the library and collection development of self published materials. It was a very useful and informative conference.
- 3. BUDGET PREPARATIONS:** The initial budget work session for the City Commission was held Monday, April 20th. The Library was not asked to present at that work session, primarily due to time constraints, but also to give the board a chance to have their April meeting and set priorities before I make any presentation to the Commission. I have upcoming budget training with the Finance department on April 24th. I also have started working on the performance reviews of the non-union staff which will be ready for the May board meeting.
- 4. CUSHING TERRELL:** Cushing Terrell provided updated floor plans for the library prior to the MLA reception. However, there are still many details to be worked out, notably collection sizes and placement and color palettes. I felt many of the drawings they provided were not yet ready for display because they would not accurately reflect our future vision.

## **Great Falls Public Library Foundation Report April 2026**

Great Falls proudly hosted the Montana Library Association Conference this month, welcoming library professionals from across the state to our community. The Foundation was honored to sponsor a Welcome Reception for conference attendees, providing an excellent opportunity to showcase our library and build connections with colleagues throughout Montana. We also now hold the record for funds raised in support of the Cates Scholarship, benefiting Montanans who are seeking higher education in Library Sciences.

Give Great Falls begins on April 26, and the Foundation is excited to continue their participation in this important community-wide giving event. This annual initiative provides an opportunity for community members to support the nonprofits they care about, and we are grateful for the continued support we receive from Great Falls residents who value our public library.

Looking ahead, the Foundation will host Nonprofit Night at the Great Falls Voyagers on June 17. This fun community event offers an enjoyable way to support the Foundation and promote library summer programs and events while catching a baseball game. We will also have staff available to get people signed up for a library card.

Work continues on the leadership phase of our capital campaign efforts to remodel the library. This critical phase focuses on securing early commitments that will position us for success as we work toward transforming our library facilities to better serve our community's needs for generations to come.

**GREAT FALLS PUBLIC LIBRARY  
BOARD AGENDA REPORT**

<b>Item:</b>	Great Falls Public Library FY2027 Budget Background Information
<b>Presented By:</b>	Amy Dissmeyer, Library Director
<b>Action Requested:</b>	None, Discussion only

**NOTE: Trustees are invited to schedule individual meetings with the Library Director to review budget information and ask questions.**

**Background:** As part of the duties assigned to the Library Board by MCA 22-1-309, Trustees are charged to “prepare an annual budget, indicating what support and maintenance of the public library will be required from public funds, for submission to the appropriate agency of the governing body.

On Monday, April 20, 2026, the majority of City departments presented their FY2026 Budgets and potential requests for FY2027 to the City Commission. The Library and Municipal Court did not present due to time constraints.

Included in this memo are upcoming dates on the City Budget Process Calendar for your reference.

Given my relatively short tenure and the limited flexibility within our budget (our budget is approximately 81% personnel costs) I am not proposing any significant changes to the FY2027 budget. I also would not propose any significant capital expenditures in the near future until we have a better defined timeline for the building remodel.

To move forward with crafting a budget proposal for your approval at the May Board meeting, I need any thoughts, questions or priorities that you would like to see in the near future as I work on this budget and we begin work on our next strategic plan.
